PROFESSIONAL EXPERIENCE

UaLong (Student Social App) **Melbourne, Australia | Sep 2026 – Present**
Founder & Product Lead
- Founded a student social-coordination app that helps university students find peers for meals, carpooling, travel and small-group activities, and defined target users, core use cases and MVP scope.
- Took the product from concept to iOS launch by turning user scenarios into feature priorities, requirements and interaction flows, and iterating design and usability through Figma prototyping, AI-assisted development and testing.
- Led early-user acquisition with multilingual recruitment materials (English, Japanese, Korean), collecting user feedback to guide product iteration.

ZTO Express Co., Ltd. **Shanghai, China | Jul 2025 – Sep 2025**
Marketing Intern (Product Focus)
- Researched 6 leading express and logistics platforms across 3 key customer scenarios, comparing positioning, campaign strategy, service features and user experience.
- Analysed 40+ pieces of feedback from customers, delivery outlets and internal stakeholders, identifying pain points and proposing 5 actionable product and service improvements.
- Produced 8+ promotional materials, 2 market research reports and 2 requirement summaries supporting campaigns, customer communication and product planning.
- Coordinated marketing, operations and business teams, tracking 10+ milestones across 2 initiatives to keep execution on schedule.

ByteDance **Shanghai, China | Jun 2025 – Jul 2025**
Talent Acquisition Intern, AI and Cloud Business
- Supported multiple concurrent AI/Cloud hiring projects, tracking hiring requirements, candidate pipelines and stakeholder updates across recruiters and business teams.
- Ran 300+ candidate outreach calls with personalised messaging, achieving a 58% resume submission rate, and contributed to employer-branding materials and communication content.

ManpowerGroup **Shanghai, China | Jun 2024 – Aug 2024**
HR Operations Intern
- Managed payroll and workforce data for 100+ employees on a China National Nuclear Power project and verified 200+ monthly reimbursement claims for Estée Lauder in line with SOX/FCPA requirements.
- Built automated Excel templates (VLOOKUP, PivotTables) for payroll, cutting processing time by 20%.

Independent Rental Support Service **Melbourne, Australia | Jul 2026 – Present**
Founder & Operator
- Translate client needs into screening criteria, compare listings, conduct in-person inspections and summarise findings to support clients' rental decisions.

RESEARCH EXPERIENCE

Age Discrimination in the Workplace — Co-author **Sep 2025 – May 2026**
- Collected and analysed data from ~300 job openings and ~200 HR professionals (SPSS, logistic regression, mixed-effects models, PROCESS) to identify patterns in callback rates and hiring bias. Poster presented at *SIOP 2026*, New Orleans.

Supervisor's Humor and Employee Performance — Researcher **Sep 2024 – Jun 2025**
- Conducted cross-country empirical research on leader humor, positive emotion and LMX, and presented findings in English at *EURAM 2025*, Florence.

Social Entrepreneurship in Regional Expansion — Research Assistant **Sep 2024 – Jun 2025**
- Applied fsQCA to identify resource configurations behind successful expansion of social enterprises in non-Western markets, and co-authored a paper presented at *AAOM 2025*, Bangkok.

LEADERSHIP & ACTIVITIES

- **Team Leader**, 4th Elite Exchange Greater Bay Area University Business Simulation (Apr 2024). Led a 6-person team on pricing, budgeting and operations decisions, resolved a budget conflict using performance data, and ranked 1st in the initial business report and 3rd overall.
